

DANEBANK SCHOOL.

The grounds of Danebrook Church of England Preparatory School, Park Road, Hurstville, presented a festive appearance last Saturday, when a fete was held in connection with the school. The Rector, Rev. G. B. Richmond, presided, and welcomed all present, including Ald. and Mrs. N. Macpherson (Mayor and Mayoress of Hurstville), and other members of the School Council, and Mrs. Ball (mother of the Principal, Miss Ball), who officially opened the function. In doing so Mrs. Ball congratulated those responsible for the arranging of the gaily decorated stalls. Added attractions were a doll show, which provided keen interest and enjoyment for the young folk; also an exhibition of physical culture given by pupils of the school. Selections by Hurstville Municipal Band helped to entertain those present. £140 was realised as a result of the fete.
