

## DANEBANK SCHOOL.

On Saturday last a musicale and American tea was held in St. George's Church Hall, Hurstville, organised by Mesdames Storer, Johnson, and Bingham, to raise funds towards their 10th to be held on October 20 at Danebank Church of England School, Hurstville. Mrs. Johnson presided at the "Bring and Buy" stall; Mrs. Storer was in charge of the door and refreshments; Mrs. Turner looked after the "Fairy Grotto"; and Mrs. Bingham arranged the musicale. The President of the Parents and Friends' Association, Mr. Norman Macpherson, not only presided in his official capacity but also assisted as an artist by rendering two groups of songs. Other artists who assisted in entertaining those present were Miss Alwyn Kennedy (pianist), and Mrs. Bingham (soprano). Mrs. Storer and Mrs. Bingham presented a sketch, and Mrs. Thompson acted as accompanist. The Deputy-Mayor of Kogarah, Ald. P. J. Ferry, was present, and Dr. Wilson (Principal of Danebank School) was guest of honour. Senior girls from the school assisted in many capacities, and as a result of combined efforts approximately £10 was raised.
