

BARBECUE

At Danebank School

On Friday evening last a large gathering of pupils of Danebank Church of England School and their parents and friends attended a barbecue in the school grounds, Park Road, Hurstville. Mr. Eric Creighton (entertainer) was compere, and he was assisted in the programme by May Sharpe, of 2CH, and pupils of the school. Various age groups of children presented action songs, assisted by the school's percussion band. Eric Creighton is a versatile entertainer, and kept the large audience in a happy mood. May Sharpe played pianoforte selections, and rendered songs at the piano. With a view to augmenting the funds, Eric Creighton offered for sale many articles of pottery and crockery which found ready buyers. However, most interest was shown in the barbecue, where those present purchased grilled chops, sausages, and frankfurts with rolls, helped down with cups of tea.
