

SCHOOL CONCERT.

Pupils of the Danesbank Church of England Girls' Grammar School, Hurstville, held a concert in the Parish Hall on the 4th instant. The concert was produced by the headmistress, Dr. Wilson, assisted by the staff. The girls contributed playlets, songs, and physical display, under the direction of Miss Beaumont. "Peter Rabbit" was produced by Mrs. Heatherby and other playlets by Miss Roma Payne. The Rector of St. George's Church, Rev. R. F. Gray, compared the show.

The P.M.G. Department has advised Kogarah Council that consideration had been given to the installation of public telephone cabinets in Mooney Ave., near Waratah St., Kyle Bay; also in Elizabeth St., near Railway Pde., Kogarah.

Success attended the efforts of three little girls of Bown's Road, Kogarah, recently, when they held a backyard bazaar in aid of St George Spastic School. The girls—Fay Sunker (11), Jennifer Thomas (16), and Julie Thompson (10)—had been working for several months making and planning for the bazaar which realised £25. The children should be congratulated on their united effort, support being readily given by their playmates. Quite a miscellaneous array of goods was displayed and they were rewarded by the response to their efforts for such a worthy cause.
